

KBCS

2016

**Make your EARTH DAY pledge and NO UNIFORM Friday
Wear Blue or Green to show your support of EARTH DAY**

Students will make their own personal pledge in class.

WASTE FREE LUNCH CAMPAIGN

School lunch time creates an enormous amount of trash.

By packing Waste Free lunches we can significantly reduce the amount of trash going into landfills while making healthier food choices at the same time.

See the other side of this flier for important tips.

GIVE AN OLD ORCHID A NEW HOME ON ONE OF OUR TREES

Bring orchids from home (do not purchase) for us to add to the school gardens. Donated orchids will be tied to tree trunks where they can live on. Your donations will save the orchids, beautify school grounds and nurture mini ecosystems for bugs, butterflies and birds. Please drop off your orchids in the butterfly garden.

PLANT A TREE ON THE KEY @ KBCS

Thanks to collaborations with Village of Key Biscayne Landscaping Committee and the Department of Public works, eight trees have been planted at our school. This effort will continue as homes are demolished and helps keep the island green, saves trees and ecosystems. In honor of 2016 Earth Day nine more trees will be planted on the Ridgewood playing yard.

KEY BISCAYNE RECYCLING/SHREDDING DRIVE

9th Annual Village of Key Biscayne Electronics/Shredding Drive Saturday April 23, 2016 8:30-1:30 pm (between Village Hall & Winn Dixie)

Escrap will accept small household electrical equipment, irons, toaster, hair dryers etc. Larger items will gladly be accepted by crew members standing by.
