

## KBCS PTA MEMBER FORM 2019-2020

Last year, over 65% of KBCS students were represented by at least one voice in the PTA. This year, LET'S MAKE IT 100%. Your voice, volunteerism, and donations make it possible for the PTA to **SUPPORT OUR STUDENTS**, **IMPROVE OUR SCHOOL**, and **STRENGTHEN OUR COMMUNITY**.

The money we raise goes directly back into the school in the form of school programs, teacher and staff support, school improvements, student materials and incentives. Below is a brief description of how money has been spent in the past and how it can be spent this year.

### School Programs

- Media Center - purchase new books, laptops, and equipment; promote library events
- Wellness in the Schools (WITS) - provide chef led healthy food labs for students
- Kindness in the Schools (KITS) - create community building, anti-bullying initiatives (NEW!)
- PE Department - purchase new PE equipment for students
- Garden - maintain our "outdoor classroom" for planting sessions and agricultural education
- Brain POP - subscription to education software
