

OUR GOAL IS TO RAISE ENOUGH MONEY TO PURCHASE A COMPUTER FOR EACH TEACHER!

CLASSROOM CONTEST

The three classrooms that raise the most money – through ticket sales and/or donations, will receive a prize. These classes will win a pizza party and participate in a workshop presented by The Nutty Scientists.

Nutty Scientists™ creates fun, hands-on, spectacular interactive activities in the form of shows or workshops. Children are active participants in hands-on experiences. The workshops and shows, which teach science while entertaining the students, are led by the professional staff of Nutty Scientists™ with a unique pedagogic methodology internationally recognized and awarded.
