

Dear Parents/Guardians,

Reflex is a great way for students to continue to sharpen their math fact fluency skills during the summer months.

- Students are encouraged to login to www.reflexmath.com at least 3 times a week and strive for the “green light” each time.
- Your child can utilize the *Reflex* math program from any device with internet access throughout the summer.
- Reflex helps students of all ability levels to develop fluency with their basic facts in addition, subtraction, multiplication and division.
- Reflex continuously monitors your child’s performance to create an optimal experience for them.
- Reflex is game-based and highly motivational so students enjoy the learning process.
- Parents can easily monitor their child’s progress by creating a Reflex Parent Account. Use the instructions listed on the right to **Create a Parent Account**.

Your child’s Reflex login information is listed below or their login card is attached.
