Dear Parent,

In order to communicate more effectively with you, this school year, Miami-Dade County Public Schools will be introducing text messaging for emergency purposes only.

We believe that this new form of communication will help us to keep you informed of critical situations. If you would like to receive text messages regarding emergency situations, please contact your child's school office in order to supply your cell phone number.

Also, these messages will be coming from 23177 or 63079. Please save these numbers in your phone to easily recognize a text from the District or your child's school.

Sincerely,

Silvia P. Tarafa  
Principal
