

# Winter Festival

*is coming Saturday, January 25th!*

## GET READY FOR THE 1<sup>st</sup> GRADE GOODIE JAR TOMBOLA!

***Please support the 1st grade carnival booth  
at this year's Winter Festival:***

- Collect and clean jars - If you will be using recycled jars (from things like jam or pasta sauce) you may want to start collecting soon!
- Fill with goodies! (small party favors, trinkets, erasers, wrapped candy, etc - just no chocolate please as it may melt)
- Decorate jars!
- Send filled & decorated jars in to your classroom to be picked up!
- We recommend 6-12 jars per student.

The 1<sup>st</sup> Grade Goodie Jar Tombola booth is the most popular carnival booth at the festival - we need a lot of filled jars for the booth to operate the whole day! Children pay for the chance to win one of the awesome jars on display by picking a number. If the number has a jar- they win the jar!

Filled jars will be collected until January 22<sup>nd</sup> (but sooner appreciated)!
