What are Winter Festival Carnival Games?

As part of the tradition of our annual school carnival, each grade (K-5) hosts a fun, old fashioned carnival game booth. Families from each grade help supply the prizes for their booth. Kinder, 1st & 5th grades collect specific items (stuffed animals, goodie jars and cakes), while grades 2,3 & 4 collect classic party prizes or donate towards the bulk purchase of prizes.

All monies raised at Winter Festival go back to our school through PTA initiatives!

THANK YOU!
