**Parent Corner:** The school year is quickly coming to an end. During the month of May, we continue with our state assessments for students in grades 3rd - 8th. Our students will also be performing in several art and music events this month. We will have a school wide art show- showcasing art work from students in grades 2nd - 8th. Our musical theater students will be presenting "Aladdin" and we will have our annual talent show. At the end of the month we begin our awards assemblies. Congratulations to the following students who received the Good Neighbor Award - Kayra Horn, Teresa Martin de Santa Olalla and Camila Andrade. Our Giving Tree Teacher was the fabulous Ms. Landy Hernandez.
